

# CPR<sup>3</sup> K-12 Homeless Battle Card

## Solution Overview

The CPR<sup>3</sup> solution is a fully managed purpose-driven device that includes voice activation. The CPR<sup>3</sup> is custom-built for schools to provide access to key resources at the tap of an icon. Program administrators can remotely add, update, or remove apps for community programs, health, nutrition, housing, and other resources. The core of this solution is a smart device outfitted with a rugged case and screen protector that provides access to critical resources and unlimited internet access for vulnerable students. The CPR<sup>3</sup> is a complete turn-key solution that includes white glove setup and ongoing support.

## Solution Benefit

Our educators dedicate themselves to enhance and enrich every student academically, emotionally, and socially. However, with today's added challenges, the essential tools for our students to effectively succeed academically have drastically changed. Our CPR<sup>3</sup> solutions address these changing needs by affording enhanced durability, portability, and connectivity options. Our devices go beyond the confines of the traditional classroom and are critical to the overall learning process by closing the learning gap and increasing student engagement, retention and success. Our CPR<sup>3</sup> solutions afford students access to educational materials online and the ability to access resources virtually anywhere.

## Qualifying Questions

- Is your district a 1:1 district?
- If yes, what is your annual refresh schedule?
- If no, are you looking to become one?
- What challenges do you have with student engagement?
- How is your district addressing the academic gaps created by distance & hybrid learning?
- How do you address students who lack internet access at home?

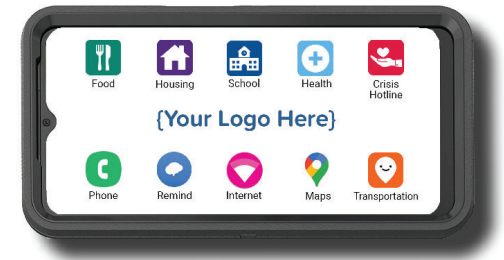

## Why Do We Win?

- Over 25 years of experience providing educational solutions
- We understand the needs of districts, schools, students, & parents
- 2-in-1 functionality, i.e., internet connectivity & hotspot capability
- Our devices are easy to use
- Premier Wireless all-inclusive White Glove service

## Hot Topics & Challenges

- Providing extended learning time for students
- Device access for every student regardless of social or economic status
- Addressing the issues of distance or hybrid learning
- Enhancing learning beyond the confines of the traditional classroom
- The ability to provide the student with internet access anywhere anytime

## CPR<sup>3</sup> Connecting People to Resources

1. **Hand-Held, Body-Worn Computer**
2. **Unlimited Communication (voice, data, text & hotspot)**
3. **Instant Access to Resources**

## Targeted POCs:

- Education
- Superintendents
  - Principals
  - IT Directors
