HOUSTON **BUSINESS JOURNAL**

FAST 50

Premier Wireless Rockets to 6th Place on Houston Business Journal's Prestigious Fast 50 List with a Remarkable 257% Growth in Revenue.

Houston, TX – September 22, 2023 – Premier Wireless, a trailblazing technology business with solutions proven to uplift communities, has again reached unprecedented heights in Houston landing at an electrifying 6th place on the highly coveted **Houston Business Journal's Fast 50** List. This exceptional achievement marks an extraordinary growth trajectory and reaffirms Premier's unwavering commitment to reshaping under-resourced communities through its innovative technology solutions.

The **Houston Business Journal's Fast 50** List, a definitive showcase of astonishing growth, resilience, and community dedication in the Houston metropolitan area, recognizes **Premier Wireless'** immense success and remarkable 257% growth in revenue from 2020 to 2022. The acknowledgement solidifies **Premier Wireless** as a paragon of business excellence and social responsibility not only in Houston, but across the U.S. as well.

At the heart of **Premier Wireless'** meteoric rise is its dedication to leveling the playing field for under-resourced communities. We are on a mission to empower these communities with the vital tools they need for education, social services, healthcare, and economic development, breaking down the barriers of connectivity that have hampered progress for too long. This accolade shines a spotlight on **Premier Wireless'** outstanding ability to harmonize business triumph with community upliftment.

Premier Wireless would like to acknowledge and thank President & CEO Lea Bogle for her strategic leadership and vision. Under her guidance, Premier has achieved sensational growth and continues to make a significant impact on the technology landscape in Houston and beyond.
