

# Bookmobile Portable Wi-Fi Kit

Powered by Peplink

**Premier's Bookmobile Portable Wi-Fi Kit** provides your patrons and staff with unlimited high-speed internet access. **Bookmobile Wi-Fi** ensures your staff can provide equity and access to all patrons by extending your library's services beyond your library's premises. These services include expanded access to library materials; enhanced opportunities for learning, interaction, community engagement, and outreach; and online activities, including job searches, registering for social benefits, and digital literacy training.

Each **Bookmobile Portable Wi-Fi Kit** is turned on at the touch of a button and managed through a centralized dashboard, providing full CIPA compliance, detailed usage reporting, and real-time GPS. The case is durable and easy to carry, and the router is the latest rugged, 5G dual SIM Peplink router available, delivering ultra-fast speeds that can connect up to 150 users simultaneously.
