

Chromebook & Laptop Warranty Program

PROTECT YOUR COMMUNITY'S ACCESS TO TECHNOLOGY WITHOUT BREAKING YOUR BUDGET

Built for Libraries

As libraries lend out more tablets, hotspots, and laptops to bridge the digital divide, the risk of damage, loss, or theft continues to grow. At the same time, funding is tighter than ever.

Premier Wireless offers **Extended Warranties, Accidental Damage Protection, and optional loss replacement coverage** tailored specifically for libraries—so you can sustain your lending program without the burden of unexpected tech costs.

What's Included:

- **Extended Warranties for Tablets, Hotspots & Laptops**
- **2 Claims per Device, per Year**
- **Accidental Damage Protection**
- **Loss & Theft Coverage**
- **Flexible Coverage Terms - 1, 2, 3 or 4 Year Terms**
- **Coverage for New and Existing Devices**

Why Libraries Choose Premier Wireless:

- **Predictable Tech Budgeting** - Avoid the financial strain of replacing broken, missing or stolen devices
- **Protect & Prolong Device Use** - Extend the service life of the devices you already own and reduce downtime
- **Serve Patrons Reliably** - Keep devices in circulation and available for your community
- **Build Long-Term, Sustainable Community Tech Programs** - Preserve and expand digital literacy and access to digital resources

Let's Protect Your Technology Investment
